

dj
hitomi

Originally from Osaka, Japan, influence by Hip Hop and R&B music since her 15. The very same year DJ Hitomi got her first pair of turntables, Since then she started spinning in at local bars and night clubs.

After developing her own style eventually moved on to weekends in some of Osaka's bigger night clubs such as Azure, Grand Cafe and Candy. In 2009 DJ Hitomi moved to Toronto to follow her music passion. In Toronto, she had the chance to meet many great DJs from different fields. She has gained knowledge in a variety of music and her mixing style continued to evolve and eventually she shifted her playlists into funky house / electro house / nu disco.

Influenced by producers such as Daft Punk, Todd Terje, Disclosure, etc.... her skill and talents on the turntable along with her music selection has been noticed by many. DJ Hitomi is currently active in Hong Kong, and keep spinning the best music for different party's and events, clubs and lounges such as Ozone, Skye, Woobar, Vibes, Zuma, Tasmania Ballroom, Sugar, Azure, Honi Homi, Neo just to name a few.
